Submission Instructions

- 1) Select only 1 service tier per invoice. Please contact us prior to submission to confirm availability of Express service.
- 2) Print name, address, and email clearly: Coins will be returned to this address, images delivered to this email.
- 3) Declare your insured value as accurately as possible. This will be the value used in the event of a claim.
- 4) Use the "Special Requests" box to highlight any features you are hoping will be captured in the regular images. Also use it to describe any die varieties or areas for which you would like close-ups taken, and check the "Close-ups" box, if so.
- 5) Calculate the "Total Amount Due" by adding service fees, close-up fees, and return shipping, using the calculators provided.
- 6) Payment is due upon completion of services. Photos will not be delivered without payment in full. You may enclose a check with your order, or pay with PayPal during the photo download process. With either method, we will prompt you to log in and begin the download when your images are ready (this requires you to create a free dmrarecoins.com account).
- 7) Please clean slabs and remove any stickers or other obstructions you do not wish to appear in the images.
- 8) Please package securely using an abundance of padding and tape. We recommend Registered Mail or Express Mail, with full insurance and a signature required. Make no mention of coins or valuables on outside of package.
